## STUDENT ASSOCIATION "STRAWBERRY FESTIVAL"

Saturday evening, at 9:30 p.m., the Southern Missionary College Student Association will present a multimedia production of the 1981-82 school year in review. You are invited to attend and enjoy this presentation of people, places, events, and seasons at SMC. Strawberries and ice cream will be served after the showing. The program will be in the P.E. Center and no admission will be charged.

## PRESIDENT'S CHARGE TO THE CLASS

There is no question but that each graduating class represents its own unique contribution to the world and there can be no greater charge that a class can accept for itself than to have the express determination to serve the world more effectively than any preceding graduating group. The key to service is commitment, and I urge all of you to be committed to something. Some people feel they are progressing satisfactorily through the world because they are not committed to anything which is evil. Unfortunately, many of these people are not committed to anything which is particularly good and so like the seaweed in the Sargasso sea they aimlessly drift, waiting to be carried by the tide. I, therefore, urge you to be committed for only with commitment does there come progress.

I also charge you to be able to change your minds. Only a fool is afraid to move into new directions and the shaking world in which we live requires us to take new directions from time to time. This does not mean one should be unstable, but rather one should look carefully at the options of service and then move in the directions in which these options carry him. Whatever the range of your activities are, however, be sure that everything you do embodies the principles of service for God and for mankind. Remember always that the total definition of the Christian commitment is very simple. Nowhere in the Scriptures is it found more expressively than in James 1:27. "Pure religion and undefiled before God and the Father is this: To visit the fatherless and widows in their affliction, and to keep themselves unspotted from the world."

## ACADEMIC REGALIA

The color code for the various faculties present in this procession is given below. These are the colors of the velvet trim on the hoods. The colors of the silk linings represent the universities which have conferred the degrees. Inasmuch as members of the Southern Missionary College faculty hold degrees from approximately forty different universities and colleges, space does not permit an identification of each.
